

COVID-19 statement

Lundsøe Køl & Frys monitors the developments in relation to the COVID-19 virus and accordingly implements measures, to protect the health of our employees and of parties we do business with. At the same time, we do our utmost to ensure the continuation of our business processes and to safeguard the interests of our customers.

The measures and instructions put in place in our organization are primarily based on the guidelines from local, national and European health authorities and governments. These guidelines may vary per region and city. If local, national or international laws prescribe stricter measures or instructions than the ones mentioned below, those instructions will be followed.

At this moment the general measures and instructions put in place for the Lundsøe Køl & Frys organization include the following:

Meeting & communication structures:

- The Management Team meet regularly (by video call) to review the latest developments and to define measures to be implemented.
- All local Site Managers inform the employees regarding the latest developments and implement the new measures.

General hygiene measures and work instructions:

- Hygiene instructions are posted at all sites.
- Plastic screens have been put up at counters and reception desks.
- All communication and exchange of documents with drivers are done outside. All drivers are asked to stay outside our facilities during loading/unloading.
- Wiping surfaces with hygienic towels every day.
- Intensify cleaning activities.
- Avoiding personal contact and using phone or video calls as much as possible.

Employee instructions:

- Employees are instructed to strictly follow the hygiene instructions; Keep social distance, wash hands regularly, do not shake hands, cough and sneeze into your elbow.
- Employees should not travel to external parties if there are reasonable alternatives (e.g. phone/video meetings). Live meetings may only be held if there is no reasonable alternative available.
- Employees are instructed to use a face mask when the social distance is not possible. Face masks are available on all locations. However, the Site Manager can make mouth masks mandatory per location.
- Employees having (mild) symptoms in relation to Corona should have themselves tested. If the test is positive, follow the instructions of the authorities.
- Employees are instructed to minimize contact with external suppliers, including drivers.
- Employees are not allowed to travel to risk areas as indicated by national health authorities and governments.
- All employees returning from holiday are requested to report to the Site Manager by phone before returning to work.

Measures and instructions in place and this statement are revised on a regular basis and updated as required by new developments.
